WESTERN INDIAN OCEAN MANGROVE NETWORK

13TH SCIENTIFIC SYMPOSIUM

Western Indian Ocean Mangrove Network (WIOMN) Special Session at the 13th WIOMSA Scientific Symposium - Mombasa, Kenya

Mangroves for a Resilient Future in the Western Indian Ocean: Advancing Science, Policy, and Regional Collaboration

What will the session feature

- WIOMN General Assembly: renewal of leadership, performance review (2022–2025) and endorsement of Strategic Plan (2025–2030)
- Launch the Western Indian Ocean Regional Mangrove Action Plan (RMAP) 2025–2050
- Partners engagement: showcase best practices from mangrove management and restoration in the WIO region
- Enhance WIOMN visibility and new opportunities for joint conservation, investment, and coordinated mangrove action in the WIO

Target Audience

- National government agencies and policy makers
- Scientific researchers, academics and students
- Civil society organizations
- Regional and international bodies (Nairobi Convention, WIOMSA, IUCN, WWF, WI, WCS, IOC)
- Development partners and donor agencies supporting mangrove management, conservation, restoration, dependent livelihoods and climate initiatives
